  - Transfer/New Student Dinner during Spring Ram Welcome
  - RAMFAM Association brochure
  - RAMFAM Association buttons

  - RAMFAM Association car decals
  - First Time/Seasoned Parent or Family member ribbons for Preview
  - Wallet telephone cards with important CSU numbers
  - RAMFAM Friendly business guide

- We’ve researched the costs of the items above – shown in parenthesis.

- The committee discussed how to separate RAMFAM Association expenses from Parents Fund expenses. It was decided that the RAMFAM Association would pay for programs and services for parents and families and that the Parents Fund would pay for student initiatives on campus.

- For RAMFAM Friendly businesses, we will provide a link from the Parent and Family website for “Parent Approved” businesses. We could also make the listing available in residence halls. The basic criteria for approving could include:
  - Better Business Bureau approval
  - Alice’s List approval
  - Not conflicting with existing fundraising initiatives
  - Student or family recommended businesses
  - Using CSU’s “Best of...” list

- The committee brainstormed categories and would like to solicit 3-5 businesses per category:
